

Aurora AOC-AL-542 Outdoor Cabinet

- ▶ Anti-interference
- ▶ Corrosion Resistance
- ▶ Modular Installation
- ▶ Lightning Protection
- ▶ Dustproof
- ▶ Waterproof
- ▶ Stable
- ▶ Heat Dissipation

SPECIFICATIONS

Outer Size (W*H*D)

- 513*462*233mm

Inner Size (W*H*D)

- 461*381*141 mm

Gross Weight

- 18.6KG

Packaging Size (W*H*D)

- 613*4562*333mm

DIMENSIONS

Operating Power

- 20-300 W

Operating Voltage

- AC 100 - 250

Operating Conditions

- -40° C ~ 85° C (-40°F ~ 185°F)
- Humidity: ≤95% RH

Material

- ADC12 Aluminum

Installation

- Pole / Wall mounting

Surface Treatment

- Electrostatic spraying

Color

- Silver gray

Protection Class

- IP68, IK10

Function

- Flexible layout and diverse scenarios communication base station 5G site, repeater, RRU radio frequency, remote security smart devices such as video surveillance, Internet of things, Relay equipment, Broadcast digital TV launch, Outdoor power supply, and Various outdoor electronic equipment

PARAMETERS
