

Aurora Isap Access License

Isap Access License is licensed on 1 year or 5 year or Perpetual.

GRACE PERIOD

Upon the first login after the license has expires, Isap Access will enter a 15 day grace period where the system functions normally. This is for users that don't access the system that often to give them a time period to get the licensing done while still allowing them to make the changes they need to.

LIFE SAFETY

Once the Grace Period has elapsed, Isap Access will enter into Life Safety mode. This allows administrators to make critical changes without having a valid license. The following actions are permitted in Life Safety mode:

- ▶ Pulsing Doors
- ▶ Removing Users/ Credentials
- ▶ Overriding Doors, Floors, Inputs and Outputs
- ▶ Override to Crisis Level
- ▶ Removing Administrators, Changing Passwords and Modifying Permissions
- ▶ Panel Commands (Update Panels, Reset Anti-Passback, Disconnect Panel, Firmware Update, etc.)

The following actions are disabled when in life safety mode:

- ▶ Adding/ Modifying Users/ Credentials
- ▶ Adding/ Modifying Holiday
- ▶ Viewing Cameras/ Reports
- ▶ Changing Time Zones
